Well got discharged today. This is day 1 of a long road to my recovery. I would usually say rehab is for quitters but this therapy rehabilitation is gonna keep me from losing my mind completely. I'm still as tough as nails and I promise I will beat this shit. Cause being in a wheelchair forever would make me think about stupid ass shit! Assistance from a walker for 6 to 8 weeks then hopefully walking kinda normal with a cool ass cane is my goal for myself. Think I started my titanium retirement plan!! Lmao. You got to laugh because the road I'm starting right now ain't no joke! To everyone that really cares I appreciate your MENTAL support. Any smart ass sarcastic comments I would really appreciate to since that is what I would probably do knowing me!

I'm the girl who loved getting under the hood of a car with my DAD. I'm the girl who knows her way around a car. I might not be able to physically do the work anymore...but I be damned if a dealership thinks when they see me or my daughter coming they are going to play on my top!! \$1385.76 for spark plugs and coils? 🤔🤔.....  
And when I call back and ask a flat rate for labor I get 2 different quotes for a 4 cylinder car???  
Go play with ya Mama or better yet go play in TRAFFIC! Give my daughter her vehicle back and rest assured this is strike #2, forget the 3rd one baby YOU'RE OUT 🙌

# All My 86 Lobos

This comic strip is based on the soap opera, "All My Children", and contains characters which may or may not be familiar to many of you.

The setting is the fictional town of Lashley, Texas, where a group of characters seek to take over and run the community. Let's meet some more of these characters right now:

This is Casey Hunt and Franklin Coles. They are the backup singers for Erick McLovely's "Violet Passion" Band.

The guy on the right is "Colonel" Robert Base. He is the manager for Erick McLovely's "Violet Passion" Band.

And here comes the "Man" himself: Erick McLovely, owner of ten gold records and a legend in his own mind.

And here comes the "Man" himself: Erick McLovely, owner of ten gold records and a legend in his own mind.

And here comes the "Man" himself: Erick McLovely, owner of ten gold records and a legend in his own mind.

And here comes the "Man" himself: Erick McLovely, owner of ten gold records and a legend in his own mind.

Now look here, cats. The Violet Passion Band has made thousands...no, millions of dollars on our hit records!

And we made these millions with MY "lovely" vocals. Do you really want to change all that because of some "creative itch"? Really?

And here comes the "Man" himself: Erick McLovely, owner of ten gold records and a legend in his own mind.

What will happen next? Tune in next time!
