Is "So EASY" to sit in a seat of judgment on our youth, but think back to YOU at that age. THB we all have done some things we are not proud of (be it public or private🙈.) We were blessed with "praying Parents" who also tried their best to be a hedge of protection to some of our wreckless behavior...We had to learn (sometimes the hard way) and grow from our mistakes, just like the younger generation does right now. With choices come consequences, be it good or bad, that's facts.. Just like what you did in YOUR past is a FACT!

THE BIG NEWS. I am thrilled to share that Longview ISD has selected GFF design as their architectural partner on the new \$61.8 million Early Childhood Center and the new \$7.8 million Transportation Operations Facility. These projects are part of LISD's \$456 million May 2024 bond election. We look forward to collaborating with LISD in creating innovative learning environments and memorable places for the students of Longview ISD. Great things are happening at GFF design and I look forward to leading and supporting our team. It's not every day that you have the opportunity to work in your hometown school district on two different bond programs, 2009 and 2024. #GoLOBOs #Longview #GFFdesign #GFFedu

My expensive yarn (seriously, YARN) was confiscated at Guatemala's TSA. In my bewilderment, I lost my passport just as my flight was boarding. Security got involved, Delta got involved, I dumped all my personal belongings in public, and it was finally located at immigration. With my yarn.

Might rather get stuck in a foreign country than lose my yarn.

Priorities, people.

To clarify: I did NOT get my yarn back.

NO ONE and I mean NO ONE! is better than anyone else, and my heart is sad for those who THINK THEY ARE. No matter how BIG your house is, how NEW your car is, or how much MONEY sits in your bank account - we all bleed red and will eventually fade from this earth. ALL the grave plots in the cemetery are the same size...Death has no discrimination, and neither should your life. Be kind to others. We are all here to serve. STOP the power tripping. Your oversized ego won't get you anywhere. ALWAYS Be humble and kind!

Very few will read this far, but if you're genuine, I challenge you to copy. Most won't because they're the type of people I'm talking about.**...These are the Universal facts!

..I Don't expect too many Amens 🙏

All My 86 Lobos

This comic strip is based on the soap opera, "All My Children", and contains characters which may or may not be familiar to many of you.

The setting is the fictional town of Lashley, Texas, where a group of characters seek to take over and run the community. Let's see what's going on with some of these individuals:

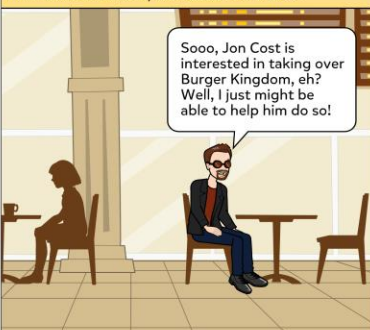

Previously:

Today: Mr. Jon Cost takes a walk in the neighborhood. He finds himself in front of a Burger Kingdom restaurant.

Meanwhile in a booth, Mike Judson watches-
